43 G B min

She heard those sirens screaming out
 Her daddy laid there passed out on the couch
 She locked herself in the cellar
 Listened to the screaming of the wind
 Some people called it taking shelter
 She called it sweet revenge

[Chorus]

Shatter every window till it's all blown away,
 Every brick, every board, every slamming door flown away
 Till there's nothing left standing,
 Nothing left to yesterday
 Every tear-soaked whiskey memory blown away,
 Blown away

[Outro]

There's not enough rain in oklahoma
 To wash the sins out of that house
 There's not enough wind in oklahoma
 To rip the nails out of the past
 Shatter every window till it's all blown away,
 (Blown away)
 Every brick, every board, every slamming door flown away
 (Flown away)
 Till there's nothing left standing,
 Nothing left to yesterday
 Every tear-soaked whiskey memory blown away,
 Blown away, blown away, blown away, blown away
